

AVBOT Aerocomm Committee at NASA

Antelope Valley Board of Trade's Aerocomm Committee toured NASA's Armstrong Flight Test Center recently where our own Cindy Poole had the opportunity to fly a couple of simulators. We won't speak of the results.

Afterwards, Cindy got a personal tour of the Air Force Flight Test Museum by GM Danny Bazzell and curator George Welsh.

Aerocomm Committee Members L-R: Al Hoffman, Scott Cummings, Judge Dick Spann, Cindy Poole, Cam Martin, Danny Bazzell, Don Rhea.
